Location

The facility occupies a prominent position fronting Dowry Street and is located approximately half a mile from Oldham Town Centre. Access to the facility is via Ashton Road which leads to Oldham Town Centre in the North or Ashton Under Lyne in the South. Junction 22 of the M60 motorway is located approximately 2 miles to the west of the facility and is accessed via Hollins Road.

The facility is located within an industrial complex however, it is fully self-contained.

Description

Earl Mill comprises traditional turn of the Century brick built mill accommodation arranged over three floors. The subject premises are located on the first floor of the facility and provide flexible floor space with a floor to ceiling height of approximately 3.96 m including internal steel columns.

Natural light is incoming on the perimeter of the accommodation and the facility is lit throughout.

Access is provided by way of a goods lift leading from the ground to the first floor element with loading via three separate dock level loading doors leading to the large secure yard/service area.

Both male and female WC facilities are available together with kitchen/amenity facilities.
